

THE EVANGELICAL FELLOWSHIP OF INDIA COMMISSION ON RELIEF

An Appeal

Dear Friends and Supporting Partners,

You are aware of the devastating floods that have recently struck several Northern States of India, including Delhi, Himachal Pradesh, Uttarakhand, Punjab, Uttar Pradesh, Rajasthan, Jammu & Kashmir, and Chandigarh. These floods were triggered by unprecedented rainfall resulting from the confluence of a western disturbance and the monsoon, leading to relentless rain, landslides, and flash floods. Tragically, at least 116 people have lost their lives in this calamity, while numerous houses, bridges, roads, and national highways have been swept away or submerged. The damage caused by these floods extends to various aspects of life, including infrastructure, property, and standing crops.

EFICOR is intending to aid the affected states in Northern India by reaching out to 5,000 families who have been severely impacted by the recent floods. The support will include essential food and non-food items necessary for their survival and well-being. According to the Need Assessment, the estimated cost to support each family is INR 3,000, which covers transportation and logistic expenses. We deeply value your continuous support towards EFICOR's relief efforts in the face of previous disasters. As a trusted friend and supporter of EFICOR, we once again appeal to your generosity to help us stand alongside the people affected by this devastating flood. Your contribution, no matter the amount, will make a significant difference in alleviating the suffering of these families.
